STANDARD

### Categorie

|                  |             |
|------------------|-------------|
| Merk             | KERN        |
| Productcategorie | Weegschaal  |
| Productgroep     | Accumulator |

### Meetsysteem

|                        |       |
|------------------------|-------|
| Interne meetfrequentie | 60 Hz |
|------------------------|-------|

### Ontwerp

|                                     |              |
|-------------------------------------|--------------|
| Afmetingen (B×D×H)                  | 50×150×20 mm |
| Afmetingen afleesinrichting (B×D×H) | 88×64×256 mm |

### Functies

|                         |      |
|-------------------------|------|
| Bereik draadloze module | 20 m |
|-------------------------|------|

### Stroomvoorziening

|                    |      |
|--------------------|------|
| Type batterij/accu | NiMH |
|--------------------|------|

### Verpakking & verzending

|                               |              |
|-------------------------------|--------------|
| Aflesbaarheid kracht [d] (N)  | 1 d          |
| Afmetingen verpakking (B×D×H) | 142×82×46 mm |
| Nettogewicht                  | 0,15 kg      |
| Verzendmethode                | Pakketdienst |
| Nettogewicht ca.              | 0,15 kg      |
| Brutogewicht ca.              | 0,20 kg      |
| Verzendgewicht                | 0,2 kg       |
